SUMMARY

I'm a third-year BSc IT and Management student at Ravenshaw University with hands-on experience in Python, basic C++, and SQL. I've completed an Artificial Intelligence and Machine Learning certification from CTTC, Bhubaneswar, and worked with Pandas, NumPy, Matplotlib, and Seaborn on real projects. I enjoy problem-solving, learn fast, and stay focused on improving through practical work.

TECHNICAL SKILLS

Programming Languages: Python, C++

Python Libraries: Numpy, Pandas

Database: MySQL
